Hello Teachers and Administrators,

We would like to take a moment to let you know about one of the opportunities available to your school.

Each year schools take advantage of Shiktehawk's beautiful facilities to commemorate the end of their school year. We hope you find this School Group Rental package helpful and informative. Feel free to contact us with any questions you may have.

Some of the activities we offer include:

Inflatable water toys, Boats, Giant Slip & Slide, Campfire, Archery, Bouncy Castle, Climbing Wall, Human Bowling, Low Ropes Challenge Course, Swimming Pool (Jr Olympic Size), Zip Line, Field Games, Nature Hike, Wide Game, Crafts, Baseball, Basketball, Games Room, Mountain Biking, Mountain Boarding, Parachute Games, Skateboarding, Soccer, Volleyball, & More.

Our Rental packages can be adjusted to fit the needs of your group. We have groups come for the day, overnight, and we even welcome Safe Grad groups. Let us know how we can make your experience memorable and the most beneficial for your group.

For inquiries on the details of what we offer, as well as pricing, please contact our camp office. We will work with your group to meet the goals that you have set for your experience.

NEW THIS YEAR

We tried a new model last season wherein students could choose more freely which activities they wanted to participate in. This worked great for some, but we have recognized that it may not work for students that need a little more structure. In previous years we have offered a rotation of activities that every student *had* to participate in, and that, at times, wasn't enjoyable for kids that didn't want to do that particular activity; and it also proved to be difficult to get everyone through each rotation. So this year we are going to strike a balance! We need you to provide us with an idea of what activities you would like your students to experience and we will build a scheduled rotation of activities, and do our very best to ensure that each student gets a chance to try each one. For those students that don't want to participate in a particular activity we will provide options that teachers/leaders can do with their kids that are self-guided. For example, if a student is afraid to ride our zipline they could choose to opt out and try the bouncy castle with the accompaniment of their leader while the other students carry on at the zipline.

Another change we have made is we will no longer be offering lunch meals in our half and full day program options. I know this may come as a disappointment to some, but we would like to be able to offer an affordable fee to our customers, and for years we have been swallowing losses on food service provided in these programs. Moving forward we will be able to devote more resources to programming and supervision for your students. If having meals provided was something your students looked forward to we can certainly provide the service at an additional, and affordable rate.

OTHER INFO

Tuck Shop (Canteen) will be open during the lunch break for anyone who wants a treat. Cost for tuck items is not included in student or leader pricing and students will need to bring their own money for this option.

Teachers are responsible to divide your students into groups before arriving at camp. Group size is max of 8 students for 1 leader. The group leaders are responsible for the students in their care and for taking the students to the camp activities.

We will provide each teacher/leader with a Camp Map showing all activities & their locations on site. You will also receive the camp rules, schedule, and other important information.
